Dear Mr. Tsirigotis,

On behalf of the Attorneys General of California, Iowa, Maine, Maryland, the Commonwealth of Massachusetts, New Mexico, New York, Oregon, the Commonwealth of Pennsylvania, Rhode Island, Vermont, and the District of Columbia, the State of Colorado, and the Corporation Counsel of the City of Chicago, please find attached a letter respectfully requesting that EPA make public the data underlying EPA's recent notices of data availability in support of the proposed rules titled "Oil and Natural Gas Sector: Emission Standards for New, Reconstructed, and Modified Sources: Stay of Certain Requirements" and "Oil and Natural Gas Sector: Emission Standards for New, Reconstructed, and Modified Sources: Three Month Stay of Certain Requirements" (collectively, the "NODAs"). We also request that EPA extend the comment deadline for the NODAs to ninety days after the data is made available to allow adequate time for review and comment.

We have also submitted this letter to Mr. Wehrum via certified mail and to the public dockets for RIN 2060-AT59 and RIN 2060-AT65.

Thank you,

Kavita P. Lesser
